

CLUBZ 250

PORTABLE BLUETOOTH SPEAKER

Here's a pick you can never go wrong with, whatever the scene maybe. With Dual EQ, the all-new Infinity CLUBZ 250 plays a sound that thrills. Travel worry-free with 10 hours of playtime and a sleek design that's light and easy to carry! Be it a hot spring or home shower, the CLUBZ 250 can endure splatters, spills and even dips. Hiking with a group? Connect with another speaker and take the tunes up a notch. Know the weather, change the playlist or check the traffic all with a call-out to Google Now and Siri! It's time to play!

Features and Benefits

Dual Equalizer

Treat yourself to an impactful musical experience with Dual EQ feature. Whether you're hosting a pool party or simply taking some 'me time' to listen to your favourite tracks. Enjoy enhanced bass by just pressing the Vol Up and Down simultaneously

Wireless Bluetooth Streaming

Welcome to a truly hands-free experience. Connect to any Bluetooth device and get started. Make calls, connect to Google Now/Siri, get entertained and stay informed all without being tied down by wires.

Deep Bass Sound

The unbeatable sound quality of the CLUBZ 250 shines through no matter what you play! These speakers offer deep bass and precise notes so that you enjoy your playlist to the fullest.

10 Hours Playtime

With 10 hours uninterrupted playtime, you can seamlessly listen to your favourites all day without stopping to charge!

IPX7 Waterproof

The CLUBZ 250 is designed for relaxed parties, drops, spills and drips. The durable fabric cover protects the device so you can enjoy the party, all day!

Speakerphone

Connect your phone and enjoy hands-free calling! The inbuilt microphone will let conversations flow, simply and swiftly!

Voice Assistant Integration

Connect the device to your smartphone and enjoy hands-free access to Google Now/Siri by just pushing the power button twice.

Durable and Rugged Fabric

The durable fabric material covering the device ensures that it is protected from dust, water and all your adventures.
