

TRANZ N320

Wireless in-ear headphones

A grab 'n go solution that sounds great.

Featuring INFINITY Deep Bass Sound, the TRANZ N320 headphones offer a grab 'n go, wireless solution for your everyday usage along with the ability to make or take hands free calls and up to 7 hours of battery life. Imagine headphones that quickly charge in 2 hours, come in 3 distinctive colors, feature a flat tangle free cable and are lightweight enough to comfortably wear for hours on end. And when you combine magnets that ensure the headphones are not dangling when not in use, the tangle-free cable and the comfort of the ergonomic ear-tips and design, it's easy to see how the TRANZ N320 headphones can become an essential part of your day-to-day music loving life.

Features

- ▶ INFINITY Deep Bass Sound
- ▶ 7-hour battery life/Recharges in 2 hours
- ▶ Magnetic cable management
- ▶ 3-button remote with microphone

TRANZ N320

Wireless in-ear headphones

Features and Benefits

INFINITY Deep Bass Sound

For over 70 years, HARMAN has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same sound, punching out bass that's both deep and powerful.

7-hour battery life/Recharges in 2 hours

Micro USB charging built-in battery provides up to 7 hours of playing time, with quick recharge in just 2 hours.

Magnetic cable management

Ensures that the headphones remain comfortably secure and tangle-free around your neck when not in use.

3-button remote with microphone

Enjoy wireless calls and manage your music hands free.
