# TRANZ 700

Wireless on-ear headphones

## Features and Benefits

### Wireless Bluetooth Streaming

Wirelessly stream high-quality sound from your smartphone without messy cords.

### Dual EQ solution

It features Deep Bass and Normal sound which can be switched easily to cater to various personal preference.

### Hands free calls

Easily control your sound and manage your calls from your headphones with the convenient 1-button remote with mic.

### 20H battery life | 2H recharging time and speed charge (10mins = 2H)

For long-lasting fun, listen wirelessly for 20 hours and recharge the battery in as little as 2 hours. A quick 10-minute recharge gives you an additional two hours of music.

### Lightweight, comfortable and foldable design

The lightweight materials and soft ear cushions with a padded headband make the headphones comfortable to wear for extended periods. The foldable design makes it convenient for you to carry your headphones anywhere and anytime you want music.

### Ask Siri or Google Now

Siri or Google Now is just a button away: activate the voice assistant by pushing the multi-function button.
