

CLUBZ 750

PORTABLE BLUETOOTH SPEAKER

Rock the party with monstrous top-quality sound! Perfect for your house parties and get-togethers, the CLUBZ 750 with Bass Radiator will keep the tunes going for 10 hours straight. Its smart design makes sure it can sustain all kinds of spills, drops and even dips. So leave it on the bar counter, the dining table or the poolside without having to worry. Is the crowd getting bigger? Just pair it with another CLUBZ 750 with the dual-speaker connect feature and turn it up a notch. It doesn't stop there! You can also check the weather, change your playlist with voice assistants. Be it an EDM party, a jazz night or a melodious evening; you get the best out of them all with Dual Equalizer. Still not convinced? The Infinity CLUBZ 750 is also a power bank that never lets your phone die. The CLUBZ 750 ensures that the party never stops!

Features

Features and Benefits

IPX7 Waterproof

The waterproof body of the CLUBZ 750 renders it a perfect party companion. Whether it is the pool, the beach or dinner at home with friends don't worry about little splash and spill.

Dual Equalizer

Treat yourself to an impactful musical experience with dual bass tuning to suit your listening needs accordingly. With the touch of a button, you can enjoy enhanced bass, by pressing the Vol Up and Down simultaneously.

Built-in Powerbank

Powered with a 2600 mAh battery, the CLUBZ 750 doubles up as a power bank. Plug your phone in and quick charge in the in-built power bank and keep the party going.

Deep Bass Sound

The unbeatable sound quality of the CLUBZ 750 shines through no matter what you play! These speakers offer deep bass and precise notes so that you enjoy your playlist to the fullest.

Wireless Bluetooth Streaming

Welcome to a truly hands-free experience. Connect to any Bluetooth device, laptop, smartphone, speaker and get started. Make calls, connect to Google Now/Siri, get entertained and stay informed all without being tied down by wires.

10 Hours Playtime

With 10 hours uninterrupted play time, you can seamlessly listen to your favourites all day without stopping to charge!

Bass Radiator

Designed with bass radiator to give you heart-thumping bass. You can experience monstrous decibels along with hardest hitting bass.

Voice Assistant Integration

Connect the device to your smartphone and enjoy hands-free access to Google Now/Siri by just pushing the power button twice. We've taken the convenience of going wireless to a
